

What is it Worth to Innovate & Improve?

We have an event you need to attend :

- **Innovate:** New Technology & Current Industry Trends
- **Improve:** Training, Problem-Solving Ideas
- **Network:** Industry Experts, Product Managers, Factory Engineers, Local Partners

Automation Fair

November 19-22, 2019

All-Inclusive Package Includes Airfare, Hotel,
Ground Transportation, Lunch & Dinner

\$1200

150+ exhibits:

Experience the latest technologies in action from Rockwell Automation and members of the PartnerNetwork(TM) companies. Talk to their solution experts on how you can incorporate their applications to your operation.

400+ hours of training

Choose to attend interactive labs, deep-dive technical sessions and industry centric forums, and learn from leading industry experts.

Evolve your operation

Discover how connecting data, systems and processes can transform your business into a more productive, efficient operation.

Innovation is possible and we can help!
